MEMORANDUM FOR: Chief, Finance Division

SUBJECT: [REDACTED]

25X1A9a

1. In the wake of detailed discussions with [REDACTED] by representatives of IO Division and the Finance Division, and in subsequent review and analysis of all available financial records concerning the personal account of [REDACTED] and [REDACTED], representatives of both participating offices have concluded that all possible avenues of audit and compromise have been exhausted.

2. At this date, and assuming that the O&L Branch concerned approves all accountings and re-certifications subsequent filed with it as a result of these sessions, it is firmly believed that the best course of action is to invoice [REDACTED] on the basis of unaccounted for project funds in the amount of \$889.73, as follows:

Less: Liquidated Personal Account	4,331.27

3. However, attention is invited to the fact that in making settlement with [REDACTED], the Agency owes him certain credits comprising salary and travel reimbursements, which will exceed in total the unaccounted for project balance of \$889.73 by several hundred dollars. Final settlement with [REDACTED] should be based on all these factors.
